

Landings Real Estate Group is looking for an experienced, knowledgeable and team oriented addition to our maintenance team at various properties in Southern RI, Franklin, MA & New London, CT. All employees are eligible for benefits once their 90-day introduction period has concluded. All employees are eligible for paid time off, health and dental insurance and potential bonuses based on performance.

The ideal candidate will have general knowledge of both plumbing and electrical work. Maintenance team members are expected to assist with various tasks, including, but not limited to: preparing vacant units for move-in, maintaining appliances, assisting with HVAC, plumbing and electrical issues, grounds keeping (including snow removal), basic carpentry, minor building repairs, and resident and management work order requests.

The candidate must be able to be courteous and efficient in handling of all resident and management daily requests during scheduled hours as well as during on call shifts. The on-call schedule will rotate between team members weekly. The candidate can be expected to work some night and weekend hours.

To apply, please submit your resume for consideration to [careers@landingsgroup.com](mailto:careers@landingsgroup.com) or submit a completed application in person at the nearest leasing office.

Background check and pre-employment drug test required.

Landings Real Estate Group is an equal opportunity employer.
